My opponent's judgment is broken.

She cannot be trusted to uphold the rule of law on the Wisconsin Supreme Court.

My opponent gave no jail time to a convicted domestic abuser before he went on to kill two people in 2019.

Her defective judgment has continually failed us and has endangered our communities.

We must save the court.

We cannot let her win.

Janet Protasiewicz's politicking, record on bench disqualify her from Supreme Court

The race for the Wisconsin Supreme Court has sounded more like a campaign for governor or senator than should be for a judge who applies the law, not makes it.
