Subject: Phase III Addendum-Proposed Kohler Company Golf Course

Good Morning,

The purpose of this email is to inform the Signatories and Concurring Parties of the proposed Kohler Golf Course located in Sheboygan County, Wisconsin.

Kohler Company has selected the University of Wisconsin-Milwaukee Cultural Resources Center (UWMCRM) to replace Commonwealth Heritage Group, Inc. as the archaeological data recovery plan on the Kohler property. All Phase III data recovery including reporting as outlined in the signed MOA and approved Data Recovery Plan will now be conducted by UWMCRM, under the direction of John D. Richards.

After reviewing the proposal, the Corps feels the proposed Addendum (attached) Please review and provide any comments by August 2, 2018. If you have no comments, the earliest convenience would be appreciated.

Also attached to this email is a copy of the original signed MOA and Data Recovery

Thank you,
Jessica
