COUNT 1:

CONSPIRACY BETWEEN CI-777 AND DANNY M. ANDREWS, DOB: 09/21/1987, AKA DIRT AND NICOLE T. NUNEZ, DOB: 07/27/1989 ;

On Wednesday, 03/14/2018, Inv. Scott Krause of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit interviewed CI-777. CI-777 has provided reliable information in the past. CI-777 advised Inv. Scott Krause that CI-777 met Nikki Nunez, a/k/a Nicole T. Cassola, hereafter referred to as Nikki NUNEZ in 2014 or 2015. CI-777 indicated that they almost immediately began buying crack cocaine from Nikki Nunez at that time. CI-777 stated that the crack cocaine they would purchase from Nikki Nunez, CI-777 would use for their own personal use and CI-777 would sell a portion of it to other individuals. CI-777 indicated that they would meet with Nikki approximately 1-4 times per day, approximately 5 days per week. CI-777 stated that they would purchase

anywhere from \$50-\$400 worth of crack cocaine from Nikki Nunez at a time, every time they would meet with Nikki Nunez. CI-777 indicated that they always weighed the crack cocaine that they obtained from Nikki Nunez and know the approximate weights that they would receive from Nikki Nunez depending on how much money was spent for the crack cocaine. CI-777 indicated that for \$50 they would receive approximately 0.3 grams of crack cocaine, for \$100 they would receive approximately 0.7 grams of crack cocaine, for \$220 they would receive approximately 2.9 grams of crack cocaine, for \$300 they would receive approximately 4 grams of crack cocaine, and for \$400 they would receive approximately 7 grams of crack cocaine. CI-777 indicated that CI-777 purchased crack cocaine from Nikki Nunez nearly every day until Nikki Nunez was sentenced to prison in Fond du Lac County on 03/09/2018, from the time CI-777 met Nikki Nunez in 2014 or 2015. CI-777 went on to state that CI-777 even purchased crack cocaine from Nikki Nunez the day she was sentenced to 5 years in prison on 03/09/2018 in the morning prior to Nikki Nunez's sentencing.

CI-777 advised that in the summer of 2017 Nikki Nunez began selling crack cocaine with an individual CI-777 knows as Danny Andrews, aka Dirt. Inv. Scott Krause was able to positively identify the subject CI-777 knows as Danny Andrews as Danny M. Andrews, M/B, DOB: 09/21/1987, aka Dirt.

CI-777 indicated that CI-777 knows from experience with Nikki Nunez and Danny Andrews that both Nikki Nunez and Danny Andrews would make runs to Milwaukee from the City of Fond du Lac to obtain crack cocaine daily. CI-777 advised that if CI-777 had made arrangements with Danny Andrews and Nikki Nunez to purchase crack cocaine from them when they returned from the City of Milwaukee to the City of Fond du Lac, that Nikki Nunez and Danny Andrews would commonly come to CI 's residence to cook the powder cocaine that they obtained in the City of Milwaukee into crack cocaine. CI indicated that they estimate that they allowed Nikki Nunez and Danny Andrews to cook crack cocaine in their residence in the City of Fond du Lac approximately 20-40 times. CI advised that CI believed that nearly every time CI allowed Nikki Nunez and Danny Andrews to cook powder cocaine into crack cocaine at their residence they would arrive with 1-2 ounces of powder cocaine, which they would then turn into crack cocaine.

CI advised that CI has observed Danny Andrews and Nikki Nunez both carry pistols on them. CI indicated that nearly everywhere Nikki Nunez and Danny Andrews went they had pistols which they carried in their waistbands on their right side.

Inv. Scott Krause conducted some basic math utilizing the least amount of possible transaction amounts of crack cocaine that CI had purchased from 2014 or 2015 through 2018 with Nikki Nunez and was able to determine that if the interaction between CI and Nikki Nunez started to occur in 2015 and CI dealt with Nikki Nunez one time per day, 5 times per week, and purchased only \$50 or approximately 0.3 grams of crack cocaine from Nikki Nunez during each transaction until 03/09/2018, which would be an approximate time frame of 3 years and 3 months, CI would have purchased approximately 261 grams of crack cocaine from Nikki Nunez during that time. Inv. Scott Krause advised CI of this information and CI replied that that would be a conservative estimate as CI would commonly purchase crack cocaine from Nikki Nunez up to 4 times per day and would purchase amounts up to 7 grams per transaction.

Inv. Scott Krause conducted some basic math utilizing the last amount of possible transaction amounts of cocaine that CI had purchased from Nikki Nunez while she was selling cocaine with Danny Andrews. CI indicated that CI did not exactly recall when CI had met and began purchasing crack cocaine from Danny Andrews and Nikki Nunez together, but CI did recall that it was in the summer of 2017. Inv. Scott Krause calculated an approximate 7 month time-frame during which CI would have purchased crack cocaine from Danny Andrews and Nikki Nunez during that period and was able to determine that if CI would have only purchased \$50, or approximately 0.3 grams of crack cocaine, one time per day, 5 times per week, CI would have purchased approximately 42 grams of crack cocaine from Danny Andrews and Nikki Nunez together from the summer of 2017 until March of 2018. Again, CI indicated that this would be a conservative estimate as CI would commonly purchase crack cocaine from Nikki Nunez and Danny Andrews up to four times per day and would purchase amounts up to 7 grams per transaction.

On April 4th, 2018, Inv. Scott Krause applied for and was granted a search warrant by the Honorable Richard Nuss for a cellular telephone which was assigned phone number 920-970-9911, belonging to Danny M Andrews M/B 09/21/1987. Detective Chris Randall of the Fond du Lac County Sheriff's Department subsequently conducted a forensic examination of the cellular telephone and presented the results to Inv. Scott Krause. In examining the records for the cellular telephone Inv. Scott Krause was able to determine that there were 410

phone contacts made between CI-777 and Danny Andrews between 02/16/2018 and 03/28/2018. During that same time frame there were 115 text messages captured between CI-777 and Danny Andrews.

CONSPIRACY BETWEEN CI-1349, DANNY M. ANDREWS, M/B, DOB: 09/21/1987, AKA DIRT AND NICOLE T. NUNEZ, F/W, DOB: 07/27/1989

On 03/07/2018, CI-1349 under the direction and control of Inv. Scott Krause of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit purchased 2.3 grams of crack cocaine for \$100 from DANNY M ANDREWS DOB: 09/21/1987 and Nicole T. NUNEZ DOB:07/27/1989 at 120 Forest Ave in the City of Fond du Lac, Fond du Lac County, Wisconsin. Officer Vokes tested a small portion of the evidence seized and received a positive indication for the presence of cocaine. Inv. Flood utilized Google Maps and discovered the transaction occurred within 1000ft of Hamilton Park located at 83 Forest Ave in the City/County of Fond du Lac, Wisconsin.

On Friday, 03/09/2018, Inv. Scott Krause and Officer Denny Vokes, both of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit, interviewed CI-1349, who has provided reliable information in the past. This interview occurred at the City of Fond du lac Police Department located at 126 N Main St. in the City of Fond du Lac, Fond du Lac County, Wisconsin. CI-1349 indicated that CI-1349 met Nikki Nunez (Cassola) and Danny Andrews in November of 2017. CI-1349 advised that from November of 2017 until January of 2018, CI-1349 was supplied crack cocaine from Nikki Nunez and Danny Andrews and acted as a "middle man" for transactions that CI-1349 would conduct with them. CI-1349 indicated that they would have individuals who would come to them looking to purchase crack cocaine. CI-1349 would then contact Nikki Nunez at phone number 920-970-9513, or Danny Andrews at phone number 920-970-9911, at which point either Nikki or Danny would respond to CI-1349's location and give them crack cocaine. CI-1349 would then in turn give the crack cocaine to the person requesting it in exchange for some crack cocaine for CI-1349's own personal use obtained from the purchaser.

CI-1349 estimated that from November of 2017 until January of 2018 that they would purchase crack cocaine from Danny Andrews and Nikki Nunez 2-3 times per day, every day. CI-1349 indicated that they would generally purchase between \$100-\$150 worth of crack cocaine from Nikki Nunez and Danny Andrews during each of the aforementioned transactions.

Inv. Scott Krause conducted some basic math and was able to estimate that during that approximately 90 day timeframe from November of 2017 until January of 2018, CI-1349 would have spent on the low end approximately \$18,000 on crack cocaine purchased from Danny Andrews and Nikki Nunez. Inv. Scott Krause provided that information to CI-1349 and CI-1349 indicated that the estimate would be accurate. At the time of obtaining the statement from CI-1349, Inv. Scott Krause had knowledge of two undercover controlled purchases of crack cocaine from Nikki Nunez and Danny Andrews, detailed further in Report 18-1116/2 and 18-1116/3. During those two transactions, Investigators were able to obtain 2.1 grams of crack cocaine for \$100 from Danny Andrews on 03/02/2018 and 2.3 grams of crack cocaine for \$100 from Danny Andrews and Nicole ANDREWS on 03/07/2018.

CI-1349 had advised Inv. Scott Krause that CI-1349 did not have a scale and did not keep track of weights obtained during the aforementioned transactions between CI-1349 and Danny Andrews and Nikki Nunez. Inv. Scott Krause was able to determine from the small sample size of the two transactions obtained from Nicole ANDREWS and Danny Andrews, on average those were approximately 2.2 grams. Taking into consideration that the weight of the packaging was involved with these two transactions, Inv. Scott Krause relied on past training and experience in the City of Fond du Lac area, recognizing that the average crack cocaine transaction in exchange for \$100 is approximately 0.6 grams. Inv. Scott Krause, based on CI-1349's statement, who had indicated that CI-1349 had purchased crack cocaine 2-3 times per day over an approximately 90 day period, purchasing \$100-\$150 worth of crack cocaine on each occasion, took the low number of two transactions per day which equaled 180 transactions over a 90 day period. Inv. Scott Krause also took the smaller amount of US Currency changing hands for these transactions using the \$100 amount rather than the \$150 amount, and multiplying that times 180 transactions at 0.6 grams per transaction on average. Inv. Scott Krause was able to determine that CI-1349 obtained approximately 108 grams of crack cocaine from Danny Andrews and Nikki Nunez over the course of that 90 day period, with assistance of the other individuals who were working for Nikki Nunez and Danny Andrews.

On April 4th, 2018, Inv. Scott Krause applied for and was granted a search warrant by the Honorable Richard Nuss for a cellular telephone which was assigned phone number 920-970-

9911, belonging to Danny M Andrews M/B 09/21/1987. Detective Chris Randall of the Fond du Lac County Sheriff's Department subsequently conducted a forensic examination of the cellular telephone and presented the results to Inv. Scott Krause. In examining the records for the cellular telephone Inv. Scott Krause was able to determine that there were 629 phone contacts made between CI-1349 and Danny Andrews between 01/14/2018 and 03/21/2018. Based upon his training and experience, Inv. Krause believes this frequency pattern of telephone communication is consistent with arranging drug transactions. During that same time frame there were 34 text messages captured between CI-1349 and Danny Andrews that relate to drug transactions.

CONSPIRACY BETWEEN JOSEPH S DAVIS, M/B, DOB: 05/09/1985, AKA JOEY DANNY M. ANDREWS, M/B, DOB: 09/21/1987, AKA DIRT, NICOLE T. NUNEZ, F/W, DOB: 07/27/1989 AND CI-2641;

On 4/5/2018 Officer Vance Henning and Investigator Ryan Flood of LWAM interviewed CI-2641, this interview occurred at Taycheedah Correctional Institute, 751 County Road K, located in the county of Fond du Lac, WI.

CI-2641 indicated that in October of 2017, Danny Andrews and Danny's girlfriend, who CI-2641 identified as Nicole Nunez, moved into CI-2641's residence. CI-2641 indicated that once Danny and Nicole moved into CI-2641's residence, CI-2641 got a better understanding of how much crack cocaine Danny Andrews and Nicole Nunez were selling. CI-2641 indicated at that time in October, CI-2641 knows and had observed that Danny Andrews was getting approximately three ounces of cocaine on a daily basis from Milwaukee and bring it back to Fond du Lac, cooking it into crack, and selling it in the City of Fond du Lac. CI-2641 confirmed that Danny Andrews and Nicole Nunez were in fact selling together, working as partners in drug sales. CI-2641 estimated on the low end that Danny Andrews and Nicole Nunez had approximately 50 customers they were selling to. CI-2641 also indicated that Danny Andrews and Nicole Nunez were selling so much crack cocaine that there were other people that were selling on their behalf.

CI-2641 stated that Nicole Nunez was arrested sometime in October or November. CI-2641 indicated that when Nicole Nunez got arrested, Danny Andrews' friends, who were identified by CI-2641 as Joseph S. Davis, M/B, DOB: 05/09/1985 and a subject that CI-2641 knows as Max, who CI-2641 positively identified as Deaundre D. Holloway, M/B, DOB: 01/12/1994, began staying with CI-2641 at CI-2641's residence. CI-2641 indicated that Joseph was the main supplier of Danny Andrews and Max from July up to October of 2017. CI-2641 indicated that CI-2641 has seen Joseph bring up large amounts of cocaine, which is then cooked to crack and then distributed to Danny and Max for resale. CI-2641 indicated that on one occasion Joseph had brought up approximately 20 ounces of cocaine for Max and Danny to sell. CI-2641 also indicated that in one of the weeks Danny Andrews had mentioned that he had sold approximately \$24,000 worth of crack cocaine for Joseph Davis. CI-2641 had indicated also that while CI-2641 was buying from Danny and Nicole, CI-2641 was also purchasing crack cocaine from Joseph Davis. CI-2641 indicated in about a one month period, once CI-2641 quit dealing with Danny and Nicole, that CI-2641 was getting about an eight ball of crack cocaine a day to use for helping sell approximately an ounce a day for Joseph Davis. CI-2641 indicated that CI-2641 did this until CI-2641 was arrested in December of 2017.

Officer Vance Henning utilized some basic math and estimated on the low end from 07/31/2017 to 10/01/2017, rounding down to 60 days, at one gram a day CI-2641 was getting approximately 60 grams of crack cocaine from Danny Andrews. Officer Vance Henning also used basic math to determine that between October and December when CI-2641 was aware that Danny Andrews was picking up approximately three ounces of crack cocaine a day, rounded down to 90 days, Officer Vance Henning was able to determine that CI-2641 was aware of approximately 7,560 grams of crack cocaine was being distributed by Danny Andrews. Officer Vance Henning also determined with basic math that from October to December, at approximately an ounce a day which CI-2641 indicated that CI-2641 was selling for Joseph Davis, CI-2641 sold approximately 2,520 grams on behalf of Joseph Davis. Officer Vance Henning also was able to determine that CI-2641 was given 3.5 grams of crack cocaine a day during that time frame, and CI-2641 was given approximately 315 grams from Joseph Davis, totaling 2,835 grams of crack cocaine that CI-2641 was getting from Joseph.

KROPP indicated that she also knew the primary tenant of 370 Sherman St., identified AS MICHAEL F LIEBELT, DOB:03/21/1984, aka Hippie. Two other individuals that would frequent the residence were identified by KROPP as DANNY M ANDREWS, DOB: 09/21/1987, aka Dirt, and DUANE T BIESTERVELD, DOB: 06/06/1976, aka Dewey.

KROPP advised Officer Pflanzgraf that PAULY would have KROPP conduct crack cocaine sales out of LIEBELT'S residence, 370 Sherman St. KROPP also indicated that KROPP believed that ANDREWS was the supplier of crack cocaine to the residence as when ANDREWS was present KROPP was not allowed in the same room as ANDREWS. KROPP also indicated that when ANDREWS was present at 370 Sherman St., activity at the residence picked up dramatically. KROPP also advised that Andrews was always with BIESTERVELD, and that ANDREWS never went anywhere without BIESTERVELD.

KROPP advised Officer Pflanzgraf that she did not recall selling any amount of crack cocaine at the direction of PAULY which was over 0.5 grams. Inv. Scott Krause of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit conducted some basic math and was able to determine that based on KROPP'S own estimate, she sold approximately 4.4 grams of crack cocaine from 370 Sherman St. It should be noted that investigators

from the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit purchased approximately 0.6 grams of crack cocaine from KROPP in exchange for \$100 on pre-recorded USC.

On Wednesday, 04/04/2018, Detective Nick Hahn of the City of Fond du Lac Police Department interviewed NICHOLE A PAULY, F/W, DOB: 04/19/1983. PAULY admitted that Danny ANDREWS and DUANE BIESTERVELD were the source of the crack cocaine being supplied to 370 Sherman St. during that time frame and that any crack cocaine purchased by LWAM from PAULY "probably" came from Danny Andrews.

On April 4th, 2018, Inv. Scott Krause applied for and was granted a search warrant by the Honorable Richard Nuss for a cellular telephone which was assigned phone number 920-970-9911, belonging to Danny M Andrews M/B 09/21/1987. GUTREUTER advised that DANNY ANDREWS gave GUTREUTER crack cocaine for driving him around to conduct crack cocaine deals in the City of Fond du Lac area, which GUTREUTER estimated that he conducted approximately 30-40 times. GUTREUTER also advised Inv. Scott Krause that GUTREUTER would drive DANNY ANDREWS and NIKKI NUNEZ to the City of Milwaukee to obtain cocaine that they would sell in the City of Fond du Lac. GUTREUTER advised that he recalled driving NUNEZ and ANDREWS to the City of Milwaukee to obtain cocaine approximately 15-30 times. GUTREUTER advised that Danny Andrews typically would pick up anywhere from one ounce to three and a half ounces of powder cocaine which he would then respond back to the City of Fond du Lac with and cook the powder cocaine into crack cocaine. GUTREUTER informed Inv. Scott Krause that Danny Andrews and Nicole Nunez would cook the powder cocaine into crack cocaine at four different addresses that GUTREUTER knew of. The first house mentioned belonged to a Tony L. POTRATZ, M/W, DOB: 06/19/1984, which was located at 431 W Division St. The second residence belonged to a Lashonda D. CONSPIRACY BETWEEN DANNY M. ANDREWS, M/B, DOB: 09/21/1987, AKA DIRT, NICOLE T. NUNEZ, F/W, DOB: 07/27/1989 AND LASHONDA D CRUCKSON, F/W, DOB: 10/20/1981;

On 3/9/2018 Officer Vance Henning and Investigator Ryan Flood of LWAM conducted an interview with Max D Reilly, M/W, DOB: 02/20/1991 at the Fond du Lac County Jail, 63 Western Av, located in the City and county of Fond du Lac, WI. During the interview Reilly informed Officer Henning that after Danny Andrews and Nicole Nunez were kicked out of TONY POTRATZ'S residence they moved their crack cocaine business to 11 S Boardman St, City of Fond du Lac, Fond du Lac County, WI. This was determined to be the residence of LASHONDA D. CRUCKSON, F/W, DOB: 10/20/1981.

On Wednesday, 03/28/2018, Inv. Scott Krause of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit and S/A Richard Connors of the US Department of Alcohol, Tobacco, and Firearms, interviewed RYAN P. GUTREUTER, M/W, DOB: 06/24/1975. This interview occurred at the City of Fond du lac Police Department located at 126 N Main St., City of Fond du Lac, Fond du Lac County, Wisconsin. GUTREUTER informed Inv. Scott Krause that he estimated that Danny Andrews and Nikki Nunez gave GUTREUTER approximately one gram of cocaine per day, every day, while he was hanging out with them. GUTREUTER advised that Danny Andrews gave GUTREUTER crack cocaine for driving him around to conduct crack cocaine deals in the City of Fond du Lac area, which GUTREUTER estimated that he conducted approximately 30-40 times. GUTREUTER also advised Inv. Scott Krause that GUTREUTER would drive Danny Andrews and Nikki Nunez to the City of Milwaukee to obtain cocaine that they would sell in the City of Fond du Lac. GUTREUTER advised that he recalled driving Nunez and Andrews to the City of Milwaukee to obtain cocaine approximately 15-30 times. GUTREUTER advised that Danny Andrews typically would pick up anywhere from one ounce to three and a half ounce of powder cocaine which he would then respond back to the City of Fond du Lac with and cook the powder cocaine into crack cocaine. GUTREUTER informed Inv. Scott Krause that Danny Andrews and Nicole Nunez would cook the powder cocaine into crack cocaine at four different addresses that GUTREUTER knew of. The first house mentioned belonged to a TONY L. POTRATZ, M/W, DOB: 06/19/1984, which was located at 431 W Division St. The second residence belonged to a LASHONDA D. CRUCKSON, F/W, DOB: 10/20/1981, which is located at 11 S Boardman St. The third address mentioned by GUTREUTER belonged to MICHAEL F. LIEBELT, M/W, DOB: 03/21/1984, which was located at 370 Sherman St. in the City of Fond du Lac, Fond du Lac County, Wisconsin.

On Tuesday, 04/03/2018, Inv. Scott Krause and Inv. Ryan Flood of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit interviewed Jennifer L. Pike F/W, Dob:03/26/1972. This interview occurred at the City of Fond du lac Police Department located at 126 N Main St. in the City of Fond du Lac, Fond du Lac County, Wisconsin. Jennifer then advised that Danny and Nikki moved out of TONY POTRATZ'S residence and then moved to an address at 11 S. Boardman St. Jennifer knows the subject that lived there as a Lashonda. Jennifer indicated that Danny and Nikki stayed there for approximately one month. Lashonda was identified by Pike as LASHONDA D. CRUCKSON, F/W, DOB: 10/20/1981. Jennifer also indicated that Danny and Nikki sold and cooked crack cocaine from Lashonda' s house and that Lashonda was given crack cocaine in return for allowing them to stay there.

Based on the statement provided by Gutreuter, that Danny Andrews and Nikki Nunez would obtain anywhere from 1 ounce to 3 1/2 ounces per trip to Milwaukee, in conjunction with the statement from Jennifer Pike that Danny Andrews and Nicole Nunez resided with Cruckson for approximately 1 month, Inv. Scott Krause was able to determine that a minimum of 30 ounces of cocaine was distributed by Danny Andrews and Nikki Nunez from Lashonda Cruckson's residence.

On Thursday, 05/24/2018, at approximately 1330 hours, Officer Denny Vokes of the Lake Winnebago Area Metropolitan Enforcement Group-Drug Unit received information from the receptionist at the City of Fond du lac Police Department that a female by the name of Lashonda Cruckson, F/W, DOB: 10/20/1981, was in the lobby on her own accord and wished to speak with Officer Denny Vokes regarding information she had on an ongoing cocaine conspiracy investigation involving a Danny M. Andrews, M/B, DOB: 09/21/1987. It should be noted that Officer Denny Vokes made contact with Cruckson and escorted her into a conference room at the City of Fond du lac Police Department located at 126 N Main St., City of Fond du Lac, Fond du Lac County, Wisconsin. It should also be noted that Cruckson was there on her own accord and was not under arrest and she wished to speak with Officer Denny Vokes freely regarding information that she had regarding the cocaine conspiracy on Danny M. Andrews and other subjects as well. At the completion of the interview a written statement was then completed, which was reviewed by and signed by Cruckson. That statement will be attached to this report. A basic summary of that written statement is as follows:

Cruckson informed Officer Denny Vokes that she currently owns 11 S Boardman St. in the City of Fond du Lac, Fond du Lac County, Wisconsin. Cruckson stated that she has been living and owned that residence for quite some time and stated that she has knowledge and information regarding illegal narcotic sales from one Nicole T Nunez, F/W, DOB: 07/27/1989, as well as Danny M. Andrews, M/B, DOB: 09/21/1987. Cruckson informed Officer Denny Vokes that Cruckson has known Nunez since she was 18 years old, which is approximately 11 years. Cruckson stated that she is good friends with Nunez and during January of 2018 she realized that Nunez was currently dating a M/B subject by the name of Danny M. Andrews, M/B, DOB: 09/21/1987. Cruckson stated that she first met Andrews at 431 W Division St. in the City of Fond du Lac, Fond du Lac County, Wisconsin, where Andrews and Nunez were residing. The house belonged to a male subject she knows as Tony L. Potratz, M/W, DOB: 06/19/1984. Again, Cruckson stated that Nunez and Andrews were dating and currently residing at that residence with Potratz. According to Cruckson, both Nunez and Andrews were selling large amounts of crack cocaine while staying at Potratz's residence. Cruckson could not provide Officer Denny Vokes any details reference how much weight was being sold as far as crack cocaine at that residence, but stated that while she was there to visit on one occasion there would be a large amount of people coming and going, purchasing crack cocaine from both Andrews and Nunez.

Not long after meeting Nunez and Andrews while at Potratz's residence, Cruckson became good friends with Andrews as well and allowed Nunez and Andrews to reside at her residence of 11 S Boardman St. in the City of Fond du Lac, Fond du Lac County, Wisconsin, on approximately 02/01/2018. Cruckson informed Officer Denny Vokes at that time that while Nunez and Andrews were staying at 11 S Boardman St., Cruckson would not stay there because she currently had a boyfriend at that time and was staying at his residence, as well as her mother's residence who also lives down the street from 11 S Boardman St. Cruckson did state that she would come home from time to time to see how the residence was and discovered that was a large amount of people in the basement and scattered throughout her house. Cruckson stated she got very upset because she could see a lot of people using illegal narcotics, specifically powder cocaine and crack cocaine and was making her house a mess. She also stated that on a couple occasions she would come into the residence and actually see large gallon size bags on the living room table which contained baseball sized individually packaged crack cocaine in one bag and powder cocaine in the other. Cruckson did admit to Officer Denny Vokes that Andrews would provide Cruckson anywhere from a half gram to one gram of crack cocaine per week for her to use for allowing them to stay at her residence of 11 S Boardman St. Cruckson informed Officer Denny Vokes that Nunez and Andrews were selling large amounts of powder and crack cocaine from her residence. Officer Denny Vokes asked Cruckson why she thought that and Cruckson informed Officer Denny Vokes that on one occasion when she came to the residence she observed a large amount of cash on the living room table along with two large sandwich bags, baseball sized, containing crack cocaine. She then left for a few hours and came back, at which time the crack cocaine was gone and Andrews made a comment that they had sold everything. Soon thereafter, Cruckson stated that both Nunez and/or Andrews would leave together and believed to re-up on crack cocaine or powder cocaine from Andrews' source. According to Cruckson, she did not know exactly who the source was for Andrews but believed the source was living in the City of Milwaukee. She also thought maybe Andrews had a source north of Fond du Lac somewhere in the Neenah/Menasha area, but was unsure of who it might be.

Cruckson then went on to state that on one occasion she believed she may have met the source for Andrews when she was at the residence of 11 S Boardman St., a M/B subject who is shorter but hefty in size came into the residence without knocking. Cruckson stated that she did not know who the subject was or why the subject was there and she actually pulled a shotgun on him and asked him to leave. She stated that the subject then left the residence and entered a silver colored Lincoln car with a larger F/H or lighter F/B subject inside the vehicle as well.

It should be noted that Officer Denny Vokes later showed a picture of a subject that was unmarked and not labeled to Cruckson, at which time Cruckson positively identified the subject who was in the house who she pulled a shotgun on. That subject was positively identified as Lateef NMI Strong, M/B, DOB: 04/22/1976. Officer Denny Vokes then asked Cruckson if she had ever seen handguns or guns of any kind. Cruckson stated that both Nunez and Andrews would carry a handgun. Cruckson described one of the handguns as a 22 caliber handgun and the other being a 40 caliber handgun. One was silver in color and the other was black in color, but she could not distinguish which caliber handgun was black or which caliber handgun was silver. Cruckson stated that after Andrews had been arrested by the police department, she then went back to the residence to clean up the residence and located two empty 40 caliber magazines which she believed belonged to Andrews, which belonged to the 40 caliber handgun that either Nunez and/or Andrews had in their possession. It

should be noted Officer Denny Vokes did take possession of those magazines and they will be placed into evidence.

Near the end of the statement, Cruckson stated to Officer Denny Vokes that there were many subject that sold crack cocaine on behalf of Andrews and Nunez. According to Cruckson, one of the main subjects who sold crack cocaine for Andrews was a guy she knew as "Hippy" who lived on Sherman St. in the City of Fond du Lac, Fond du Lac County, Wisconsin. That subject was later positively identified as Michael F. Liebelt, M/W, DOB: 03/21/1984. Cruckson also stated that there were many other subjects who sold crack cocaine for Andrews and they were identified as follows:

- Travis A. Campagna, M/W, DOB: 01/02/1978
- Tony L. Potratz, M/W, DOB: 06/19/1984
- Ryan P. Gutreuter, M/W, DOB: 06/24/1975
- Joseph S. Davis, M/B, DOB: 05/09/1985, who Cruckson believed was Andrews' brother but was unsure if they were biological brothers or two subjects that just called each other brother.

The last person Cruckson stated sold crack cocaine for Andrews was John L. Sobrilsky, M/W, DOB: 03/22/1976.

It should be noted that after providing that information, Officer Denny Vokes provided unmarked photos of all subject, at which time Cruckson positively identified each of the subjects mentioned above.

Inv. Scott Krause inquired as to how long both Ulysses Brown and Lateef Strong had sold drugs out of his residence, to which Liebelt replied that he didn't really keep track of the dates as he didn't want to. Inv. Scott Krause inquired with Liebelt as to the difference in weights that Lateef Strong and Ulysses Brown would bring to Liebelt's residence as compared to the amount of weight and cocaine that Danny Andrews would bring to his residence, to which Liebelt replied that Lateef Strong and Ulysses Brown brought significantly more weight to his residence than Danny Andrews ever did. Inv. Scott Krause inquired with Liebelt as to how much crack cocaine Liebelt believed had been sold out of his residence after his father passed away in October of 2017 by Ulysses Brown, Lateef Strong and Danny Andrews. Cruckson stated that she did not know who the subject was or why the subject was there and she actually pulled a shotgun on him and asked him to leave. She stated that the subject then left the residence and entered a silver colored Lincoln car with a larger F/H or lighter F/B subject inside the vehicle as well. Officer Denny Vokes later showed a picture of a subject that was unmarked and not labeled to Cruckson, at which time Cruckson positively identified the subject who was in the house who she pulled a shotgun on. That subject was positively identified as Lateef NMI Strong, M/B, DOB:: 04/22/1976.
